ANNEXURE 3

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC SCENARIO

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital-intensive sophisticated mills sector on the other end. The decentralized power looms/ hosiery and knitting sector forms the largest component in the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce wide variety of products suitable for different market segments, both within India and across the world.

The textile industry in India is largest industry after agriculture and is also highly labour intensive offering the largest volume of employment. India is among the world's largest producer of textiles and apparels.

The textiles and apparel industry in India has strengths across the entire value chain from fiber, yarn, fabric to apparel. The Indian textile and apparel industry is highly diversified with a wide range of segments ranging from products of traditional handloom, handicrafts, wool, and silk products to the organized textile industry in India. The organized textile industry in India is characterized by the use of capital-intensive technology for the mass production of textile products and includes spinning, weaving, processing, and apparel manufacturing.

As the result of policy and technological reforms in the textile industry the organized sector i.e. large-scale mill sector started applying modern machinery and techniques which have led to significant gains in technical efficiency and international competitiveness. The organized textile industry is characterized by the use of capital-intensive technology for mass production of textile products and includes spinning, weaving, processing, and apparel manufacturing. However, the industries operating in the organized sector need to comply with numerous government labour and tax regulations, such industries are meeting needs of domestic as well as world market. On the other hand, industries operating in the small-scale "unorganized" sector have less stringent regulations and meeting the needs of India's predominately low-income domestic consumers.

INDUSTRY DEVELOPMENTS & STRUCTURE

➤ India is among the world's largest producers of Textiles and Apparel

The domestic apparel & textile industry in India contributes 5% to the country's GDP, 7% of industry output in value terms, and 12% of the country's export earnings. India is the 6th largest exporter of textiles and apparel in the world.

India is one of the largest producers of cotton and jute in the world. India is also the 2nd largest producer of silk in the world and 95% of the world's hand-woven fabric comes from India. The Indian technical textiles segment is estimated at \$16 bn, approximately 6% of the global market.

The textiles and apparel industry in India is the 2nd largest employer in the country providing direct employment to 45 million people and 100 million people in allied industries.

India has also become the second-largest manufacturer of PPE in the world. More than 600 companies in India are certified to produce PPEs today, whose global market worth is expected to be over \$92.5 bn by 2025.

Annual Report 2021-22

- India's exports of textiles and apparel are expected to reach \$100 bn in the next 5 years, growing at a CAGR of 11%
- To double the Indian textile and apparel industry size to \$190 bn by 2025-26, 7 mega textile parks have been planned
- The Indian technical textiles market was estimated at \$17.6 bn in 2020-21 and grew at a CAGR of 10% since 2015-16
- The domestic technical textile market for synthetic polymer was valued at \$7.1 bn in 2020 and is projected to reach \$11.6 bn by 2027, growing at a CAGR of 7.2%, while technical textile market for wovens is expected to grow at a CAGR of 7.4% to \$15.7 bn by 2027, up from \$9.5 bn in 2020

Textile industry has vital importance for Indian economy as-

- It has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.
- Contributes 2% to India's GDP, 7% of industry output in value terms and 12% of the country's export earnings.

(Source: ibef-India brand equity foundation)

The Indian Textile Industry has inherent linkage with agriculture and with the culture and traditions of the country making for its versatile spread of products appropriate for both domestic and the export markets. The textile industry is operating under different segments such as Spinning (the process of converting cotton or manmade fiber into yarn), Weaving and Knitting (converting yarn into woven or knitted fabrics), Fabric Finishing/ Processing (dyeing, printing and other cloth preparations) and Clothing (apparel manufacturing). The textiles and apparel industry in India have strengths across the entire value chain from fiber, yarn, fabric to apparel. Presently, spinning is the most consolidated and technically efficient sector in India's textile industry.

The textile sector also has a direct lime with the rural economy and performance of major fiber crops and crafts such as cotton, wool, silk, handicrafts and handlooms, which employ millions of farmers and crafts persons in rural and semi-urban areas. It has been estimated that one out of every six households in the country depends directly or indirectly on this sector. India has several advantages in the textile sector, including abundant availability of raw material and labour. It is the second largest player in the world cotton trade. It has the largest cotton acreage, of about nine million hectares and is the third largest producer of cotton fiber in the world. It ranks fourth in terms of staple fiber production and fourth in polyester yarn production. The textile industry is also labour intensive, thus India has an advantage.

➤ **Indian textile market projected to grow at 7-9% CAGR between fiscal 2020 and 2026**

Indian textile and apparel market which is estimated to Rs. 8, 153 billion during fiscal 2021 and is projected to grow at a CAGR of 11 -13% from fiscal 2022 till fiscal 2026 and reach a value of Rs. 15,300 - 15,400 billion. During this period, the exports are expected to grow at a CAGR of 9-11% and domestic industry to grow at slightly higher pace of 13-15%. Over the past five years the Indian textile and apparel industry is estimated to have grown at a CAGR of 3% from fiscal 2016 to fiscal 2020.

The domestic market has grown at a higher pace of 4% while the exports had grown sluggishly at a CAGR of 0.5%. The slower growth in exports is majorly due to decline in fiscal 2020. During this period the exports saw a decline majorly due to global slowdown which has further compounded by the covid-19 pandemic leading the disruptions in supply chain and demand causing order cancellations. In addition to this, high export tariffs levied on Indian exporters in countries like European Union (EU) when compared to zero import for countries such as Bangladesh and Vietnam has further dampened the

Annual Report 2021-22

export performance. The further growth in Indian textile and apparel market will be led various economic factor such as increase in discretionary income, rising urban population. Furthermore, the demand is poised by increase in online retailing, shift from cotton to man-made fiber and global industry expanding outside of China would aid the Indian markets in the growth trajectory.

COMPANY REVIEW

The manufacturing facility of the Company is situated at F-483 to F-487, RIICO Growth Centre, Hamirgarh, of Bhilwara District in Rajasthan State (Unit/Plant-1) and B-24 to 41, Industrial Area, Jhanjharwada, of Neemuch District in Madhya Pradesh State (Unit/Plant-2). The Company has at present installed 123 Air Jet Looms having capacity to produce 22.5 million meters of fabric per annum in Unit-1. We have continuously expanded and modernized our facilities in line with industry trend. The plant is equipped with modern and automatic plant and machinery. The level of advancement determines the productivity of machines and labour, which in turn, determines the production operating cost and profitability of the Company.

During the year 2021-22 the Company has strategically planned and implemented the vertical integration of its operations to the next level of supply chain, aiming to lower production costs and increase the efficiency of the company. The Company established a denim processing plant in the state of Madhya Pradesh (Unit-2), with annual capacity of converting approximately 21.75 million metric meters of denim fabric, which is the forward integration of its existing business. The Commercial Production of Unit-2 has commenced, whose impact on turnover of the Company, will be seen from third quarter.

OPPORTUNITIES

- In recent times, China is facing issues with respect to wage increases and shortage of workforce. This would be an opportunity for India which could act as an alternative destination for foreign players to enter. In addition, this would aid investors to avoid the US-China trade issues thus reducing the supply chain disruptions. Furthermore, India being world's largest manufacturer of cotton and second largest manufacturer of polyester and viscose would further support the fabric manufacturing industry.
- Large, Potential Domestic and International Market.
- Product development and Diversification to cater global needs.
- Government Initiatives
- Increased Disposable Income and Purchasing Power of Indian Customer opens New Market Development.
- Revival post covid pandemic to aid global fabric manufacturing industry.

THREATS

- Raw Material Price fluctuations.
- Competition from other developing countries or other market players.
- International / National labor and environmental laws.
- Reduction in Government Support or changes in policies.
- Impact from, Change in Trend/Fashion of Indian Customers.
- Inflation in Indian economy and etc.

RISK AND CONCERNS

The Textile Industry is extremely labour intensive. The availability of labour continues to be challenging for the industry, across the value chain. Furthermore, the rigid labour laws and increasing wages are also a hindrance.

Annual Report 2021-22

Indian weaving industry apart from profitability pressure, high cotton price would increase yarn prices and it will translate into higher working capital requirements and hence borrowings and it will translate into weaker credit metrics. Cost of power is another vital component to impact on overall profitability of the Company. Apart from these, the Company is also surrounded by other risks like economic downturn, quality risk, availability of skilled personnel, competition risk, technology risk etc.

The Company believes that an effective, consistent and sustainable risk management framework is essential part of the work culture. Risk management must be fully integrated into the organization's governance policies. A well-defined risk management mechanism covering the risk mapping and trend analysis, risk exposure, potential impact and risk mitigation process is in place. The objective of the mechanism is to minimize the impact of risks identified and taking advance actions to mitigate it. The mechanism works on the principles of probability of occurrence and impact, if triggered. A detailed exercise is being carried out to identify, evaluate, monitor and manage both business and non business risks.

OPERATIONAL PERFORMANCE

- The Profit after tax is Rs.457.31 Lakh for the financial year 2021-22 as compare to Rs.261.14 Lakh in the previous financial year 2020-21

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has put in place an adequate system of internal control commensurate with its size and nature of business to safeguard and protect from loss, unauthorized use or disposition of its assets. All the transactions are properly authorized, recorded and reported to the Management. The Company is following all the applicable Accounting Standards for properly maintaining the books of accounts and reporting financial statements. The internal auditor of the Company checks and verifies the internal control system and monitors them in accordance with the policy adopted by the Company. The Audit Committee of the Board of Directors, Statutory Auditor and Department Heads are appraised of the internal audit finding and corrective action is taken thereon. The audit observations and the management's responses are placed before the Audit Committee. We believe that our internal financial control system provides reasonable assurance that our internal financial control is designed effectively and is operating as intended.

Annual Report 2021-22

Independent Auditor's Report

To the Members of **M/S SWARAJ SUITING LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of SWARAJ SUITING LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information n (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its profit/loss and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Annual Report 2021-22

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, Profit/Loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we

Annual Report 2021-22

conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Independent Auditor's Report

To the Members of **M/S SWARAJ SUITING LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of SWARAJ SUITING LIMITED (hereinafter referred to as "the Parent Company") and its associate M/S Modway Suiting Private Limited (formerly known as M/s Cyan Textile Private Limited), Parent company and its associate together referred as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2022, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2022, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexure to Board's Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

Annual Report 2021-22

The Parent Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Annual Report 2021-22

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2022 taken on record by the Board of Directors of the Company and its subsidiary incorporated in India and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate Report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
 - g) With respect to the matter to be included in the Auditor's Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by

Annual Report 2021-22

the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :

- The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the
- The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent Company, and its subsidiary companies.
- The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
- No dividend have been declared or paid during the year by the company.

Annual Report 2021-22

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF SWARAJ SUITING LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of SWARAJ SUITING PRIVATE LIMITED (hereinafter referred to as "Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary company, which are company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

Annual Report 2021-22

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
